

Underground Railroad: Map Assignment

Learning Intention: *I can create a scale map of North America showing the main routes used by the underground railroad*

Instructions: Use what you have learned making the Africa map to create a map of North America. The map must be ***increased in size by a scale factor of 2.5*** You will use 18”x 24” yellow manila cardstock. You must use the length/width ratio of your map along with the scale factor to determine the size of the larger paper. Show your math work below and have it checked by a teacher before you start. You only get 1 piece of paper! ***Be sure to use your strengths and stretches sheet from the practice map to help you improve!*** #thelearningneverstops

The Map must Include:

<ul style="list-style-type: none"> <input type="radio"/> A title <input type="radio"/> Compass rose <input type="radio"/> A legend <input type="radio"/> Canada <input type="radio"/> Mexico <input type="radio"/> Atlantic Ocean <input type="radio"/> Pacific Ocean <input type="radio"/> Gulf of Mexico 	<ul style="list-style-type: none"> <input type="radio"/> Cuba <input type="radio"/> All USA states <input type="radio"/> The great lakes <input type="radio"/> Canada/USA border <input type="radio"/> USA/Mexico border <input type="radio"/> Arrows showing the main underground railroad routes <input type="radio"/> Name on bottom right corner
